The paper is published **4 times a year** and is distributed for free. **LE TOUR** is printed in a 10 x 14 inches format and is in full colour. **10 000 copies** are printed in the summer and fall and **8 000 copies** in the spring and winter.

- Around 6,000 copies are sent through the mail to the residents in **Abercorn, Dunham, Frelighsburg, Stanbridge East, Sutton and West Brome**.
- The remainder of the copies are distributed in drop points such as visitor information centres and strategic areas (tourist areas and enterprises, professional offices, convenient stores, cafes, galleries, libraries, etc.) in the above-mentioned towns as well as in **Bedford, Bromont, Cowansville, Lac-Brome and St-Armand**, (see points of distribution on our Web site).
